

**TASER and Seattle Police Department
are hosting**

**TASER® Use of Force, Risk Management & Technologies Solutions Seminar
For Leaders, PIOs, Command Staff, Chiefs, Sheriffs, Risk Managers, & Legal Advisors**

This TASER Training Academy one-day seminar is specifically designed for law enforcement chiefs, sheriffs, executives and government risk managers, legal counsels, medical advisors and those individuals responsible for digital information management. Topics covered include issues surrounding the use of TASER conducted electrical weapons (CEWs), on officer cameras, video storage and digital evidence management solutions, use-of-force legal and policy issues, medical research and arrest related deaths, stakeholder/media communication, and risk mitigation.

Attendees receive substantial factual information as to how TASER products fit into law enforcement use-of-force deployment strategies, training considerations, various policy recommendations relative to CEWs and on-officer video, current medical issues and research findings, the effects of TASER devices on liability exposures and on reducing officers' and suspects' injuries, civil rights issues and liability reduction, and current technology solutions available for digital evidence management.

Prerequisites: Attendance is limited to current law enforcement executives and their designees, government legal counsel, risk managers and medical advisors.

Cost: FREE

Dates: Tuesday, September 09th, 2014 8AM – 5PM (This is a one day seminar)

Location: Washington State Criminal Justice Training Commission – 19010 1st Ave. South – Burien, WA 98148

To register for this course, please visit the Training Events page of www.TASER.com or <http://burienseminar.eventbrite.com> and register from the link provided for that course. If you have any questions, feel free to contact Jennifer@TASER.com.
