

## Horizontal Gaze Nystagmus

The Washington State Patrol Impaired Driving Section and Washington State DRE Program are providing training on Horizontal Gaze Nystagmus. Fraser C. Horn, O.D., F.A.A.O. from the Pacific University College of Optometry will be teaching the class in conjunction with the DRE School. The goals of this training are to understand eye movements in general, understand HGN and how it works, review other possible causes of nystagmus, and prepare officers for defense arguments. If you are interested in attending this training, please contact Sergeant Mark Crandall at [mark.crandall@wsp.wa.gov](mailto:mark.crandall@wsp.wa.gov) to reserve your seat.
