

Certification course PowerPoint for Law Enforcement will be held in
Auburn, WA September 3-4, 2014.

This is the highest rated POLICE TECHNICAL course and has ran nationally for more than 10
years.

This course has previously been taught at:
CNOA Training Institute 08, 09, 10, 11, 12, 13
Oregon HIDTA
Northern California HIDTA
NW CART
LA HIDTA / LA CLEAR
CA DOJ - BNE
CA POST Instructors Conference 09 10
RCMP - Vancouver EDCAS

PowerPoint for 2 days? What am I going to learn?

How to make a presentation the right way: Quickly and Easily
Brand presentations with your agency identifiers...it won't look like someone else's
Make video work in PowerPoint...every time
Create interfaces for training and court presentations...it won't look like PowerPoint
And much more.

Case studies will include: Narcotics, homicide, and case management for a variety of LE training
applications.

Who Should Attend?

This course is for **LAW ENFORCEMENT ONLY**. POLICE TECHNICAL provides technical
training to law enforcement personnel only, nobody else, and we've done it for 15
years. Personnel should bring a laptop with PowerPoint (2003 or higher), Mac or PC (PC is
actually better in this case).

The class is **HANDS-ON**, personnel will **be doing** not just watching.
