

Regional Training - Save the Date

Thursday, September 11, 2014

RFA Station 2 - Harrison Avenue

“If we would just slow down, wear our seatbelts and clear intersections, we could get our line of duty deaths to Below 100 a year.”

The Below 100 Program, an initiative that aims to reduce the line of duty deaths to below 100, a number not the seen since 1944.

In 1974, the all-time high year for officer deaths, 278 were killed in the line of duty. Innovations in training, emergency medicine and vehicles, as well as the development of ballistic armor, all contributed to bring this number down. We’ve averaged about 150 officers killed per year in the last ten years. Together, we can bring that number to below 100.

Four Hour Training Block - 0800 - 1200; depending upon interest and registrations, a second session may be offered 1300-1700.

Instructor: Scot Haug is the Chief of Police for the Post Falls, Idaho Police Department. He is a graduate of the 201st FBI National Academy and is a member of the board of directors for the Montana/Idaho Chapter of the FBI National Academy Associates. Scot is a past SWAT Commander and has been an arrest techniques instructor since at North Idaho College for nearly ten years. Chief Haug was an early adopter of Below 100 and was a co-presenter in the very first Below 100 training session

This no cost training opportunity hosted by the Centralia Police Department.

Together,
We Can Get
Below 100
