

SPOKANE COUNTY SHERIFF'S OFFICE
HANDGUN COMBAT MASTER

When: July 27th – 28th, 2015
Where: Spokane Police Academy
2302 N. Waterworks
Spokane, WA 99212
Time: 0800-1700

Description:

Designed by Chuck Taylor, the Master training regimen and test is the most difficult handgun discipline in existence.

The student will learn to present the pistol and shoot accurately in extremely compressed times - he must be very fast and very accurate. Most students take years to pass this demanding protocol.

If you want to push handgun shooting to the top, the Master's program is the way to go. You cannot pass this alone - the student can only be certified when an existing Master tests him.

This class is instructed by Jeff Hall, Force Options, LLC. Make checks payable to Force Options, LLC and send in with completed registration. Class size is limited so register early!
