

AR-15/M16 ARMORER (2 DAY) COURSE

EXPERT INSTRUCTION

SUPERIOR SUPPORT

Introduction

The premier course in the United States which sets the benchmark certification for the industry. For the professional who wants the designation of AR-15/M16 Armorer. The course covers the AR-15/M16 platforms and provides instruction on how to diagnose and repair malfunctions, return firearms to military specs, perform function inspections, check headspace and more.

Armorer training classes are a mixture of classroom instruction and hands-on exercises, enabling each student to achieve a high degree of familiarity with the topics covered. Graduates will be able to repair and maintain the AR-15/M16 platform to military specifications, be issued a three-year certification and receive one-on-one Academi phone and/or email support. Class begins at 0830 hours.
