Investigative Analysis into The Disappearance & Murder of 6 Year Old Jenise Wright

Overview:

6-year old Jenise Wright went missing from her home in Bremerton on the weekend of August 2, 2014. Hundreds of people, including officers from 15 Law Enforcement agencies and the FBI, participated in the search to find Jenise. The following Thursday Jenise's body was found in a wooded area under a pallet. Investigators found that a neighbor, Gabriel Z. Gaeta, had sexually assaulted and murdered Jenise. Gaeta was a High School wrestler with no criminal history. He is currently awaiting trial in Kitsap County Superior Court.

The analysis will provide insight into:

- The criminal investigation
- Complexities of missing children cases
- Coordination of a multi-agency investigation
- Coordination of resources
