**Richland Range**  
**3230 Twin Bridges Road**  
**Richland Wa. 99354**

***The Arrestling Officer Safety Conferences occur once a year and provide some of the best, most applicable law enforcement training in the country. Officers who attend leave with a strong grasp on what tactics really work in a real encounter and understand what it takes to win a life or death encounter. The tactics taught are continually tested to make sure the officers who attend our conferences leave prepared for critical incidents and how to train and prepare for what they may encounter on the streets.***
