

Port Angeles Police Department
2016 LEOSA Concealed Carry Qualification Course
WSCJTC Course #5035-26

Date: Tuesday May 3, 2016

Hours: Starts at 12:30 pm (Class is limited to 20 participants)

Location: Port Angeles PD Range – 3501 W. 18th Street, Port Angeles, WA 98363

Required Items you must bring:

- Handgun(s)
- Belt or Paddle Holster (Shoulder holsters are **NOT** allowed)
- Ammunition (Qualification course requires 25 rounds)
- Eye and Hearing Protection (You must provide your own)
- The Port Angeles PD Range does not require you to wear a protective vest

Also required:

You must send in your application and the required fees **before** you can be scheduled to use the range. If you show up to shoot without having first sent in your application and fee you will **not** be allowed to participate. [Follow this link to download an application.](#) If you are **new** to LEOSA, please remember to send in a passport type of photo and a copy of your retired agency ID/credential along with your application.

Cost:

- **\$75** – If you are applying for LEOSA for the first time and qualifying at the Port Angeles Range. Your total with the range and processing fee is **\$75**. This must be paid in advance to the WSCJTC.
- **\$50** – If you are renewing your LEOSA Qualification at the Port Angeles PD range. Your total with the range and processing fee is **\$50**. This must be paid in advance to the WSCJTC.
- **Fees must be paid in advance and received with your application before you will be scheduled to use the range.** There are no refunds if the test is failed.
- Cash, Check, or Money Order payable to the Washington State Criminal Justice Training Commission.
- **Questions?** If you have questions for the WSCJTC please send us an email at citregistrar@cjtc.state.wa.us , if you wish to speak to the Range Master contact Clay Rife at 360-912-0054.

Applicants are given two attempts to achieve a passing score. Those failing to qualify may, after paying the fee again, try again at a future LEOSA Firearms Certification Qualification.
