This fast paced eight-hour seminar presents skill sets designed to enhance the proficiency of female crime fighters mentally, physically, and tactically. Often little has been done to accept or accommodate the female perspective in Police Work. This class aims to fill that void.

Topics Include:

- ***Functional Training for Female Officer Survival***
- ***Training and Equipment***
- ***Use of Force***
- ***Physical and Emotional Health***
- ***The History of Women in Police***
- ***Working in a Male Dominated Field***
- ***The Importance of Leadership and Mentoring Among Female Officers***
