

**ANTI-MONEY LAUNDERING
ASSET IDENTIFICATION AND SEIZURE TRAINING
SEPTEMBER 28-29, 2015**

Kent Police Department Training Facility / 24523 116th Ave SE / Kent, WA

ECHO FIVE-0 is proud to present a 16 hour training course to assist those that are interested in gaining knowledge on anti-money laundering identification, schemes, and techniques to employ against those who are defrauding the public and our financial sector. *16 CPE Credits

COURSE TOPICS INCLUDE:

Asset Identification
Case File Structuring/Documentation
Investigative Strategies
Research Techniques
Sources of Information
Suspect Identification

Bank Secrecy Act (BSA)
Crypto Currency/Bitcoin
Money Laundering Trends
Search and Seizure Affidavits & Warrants
State and Federal Money Laundering Laws
Threat Detection

This course is geared towards Law Enforcement, Financial Sector/Bank Operation Officers, Bank Security Officers, and those employed to identify and mitigate fraud and deception. Techniques covered are designed to assist financial institutions to implement proactive BSA compliance programs while also ensuring timely notification of financial irregularities to law enforcement partners. Law enforcement attendees will become better equipped to navigate complex financial crime investigations while also identifying and seizing ill-gotten assets in a timely manner, thereby impacting criminal operations within their respective communities.

ECHO FIVE-0 Speakers Include: former FBI Agents, a prosecutor, current money laundering/structuring criminal investigators, a current Financial Institution Board of Director member, and a former Financial Institution Supervisory Oversight Committee member. All speakers have extensive instructional knowledge and BSA experience. The law enforcement experience of the speakers exceeds 100 years.

TO REGISTER:

Cost for this course is \$450. To register, complete this form and return, with check or money order payment, to **ECHO FIVE-0, PO Box 13081 Spokane Valley, WA 99213**.
