Tactical Pistol

Tap-Rack Tactical, LLC will provide you with techniques and procedures that allow you to make hits faster under stress. This course is intended to pick up where most marksmanship training ends, it is a fighting class. We will build on previous skills, but help you to hit faster on single and multiple targets. This is accuracy done very quickly. Topics covered include fundamentals, strong and weak/support hand shooting, manipulations, malfunctions, low light and shooting on the move. Each shooter will leave with a custom dry fire training plan.

Spokane County Sheriff's Training Center
