Detectives, Supervisors, Managers, Task Forces, Street Teams, Prosecutors, and Analysts: Please join us for the 2016 Annual WSNIA Training Conference, April 25, 26, 27, and 28 at the Heathman Lodge in Vancouver, Washington. This year's conference is anticipated to be the best training conference yet with even more flexibility for officers to pick their own training tracks on the second and third day. WSNIA will give away and raffle several firearms throughout the conference as well as sell promotional items to support the association. All the rooms at the Heathman Lodge have been blocked out for the conference, so reserve yours soon.

Training is provided in four and eight-hour blocks of instruction, allowing officers to choose the subjects that interest them. A conference smart phone app will be utilized to allow students to review each class synopsis, instructor's biography, and sign up for specific classes. The 2016 conference fee is a low \$245 dollars.
