

A Training and Dialogue with the Community on: “Gang Intervention 102”

HIGHLINE
COLLEGE

Training Goals & Objectives:

- Gang Dynamics:** How gangs function and how gang-affiliated behaviors influence group dynamics within facilities, schools, and communities.
- Gang Intervention:** Learn the dynamic, ongoing effort, which brings agencies, schools, and individuals together to reduce gang-related behaviors in institutions and in our communities.
- Gang History:** Understand Trends, Behaviors, and historical roots of gang rivalries, which is fighting who on the streets now.
- Gain awareness for safety of non-gang individuals and gang involved youth.
- Highlight effective intervention techniques and strategies that are available in our local area.
