

**DON'T MISS THE
WASHINGTON STATE CRIME PREVENTION
ASSOCIATION**

3 DAY CPTED

CERTIFICATION SEMINAR

May 23, 24 and 25th, 2016

in

Richland, WA

Crime Prevention Through Environmental Design or **CPTED** is defined as the proper design and effective use of the built environment that can lead to a reduction in the fear and incidence of crime, and an improvement of the quality of life.

When: May 23, 24 and 25th 2016

Where: Richland Police Department Training Center
871 George Washington Way
Richland, WA 99352

Time: 8:00 AM - 4:00 PM

Cost: WSCPA Member \$150.00
Non Member \$200.00

***Note: Registrations received after May 6th will increase to \$175.00 (Member) and \$225.00 (Non-Member)**

Crime prevention professionals acknowledge that the science of CPTED has never been more relevant or important. Recognizing this the Washington State Crime Prevention Association has partnered with the Richland Police Department and developed a 3 day CPTED certification class for law enforcement, private security, safety and risk management professionals.

The benefits of CPTED certification are immediate, tangible and long lasting. Learning the best practices in creating a safe, therapeutic physical environment is the foundation for effective crime prevention. We hope that you have the opportunity to take advantage of this exceptional certification opportunity.

Who Should Attend?

- Law Enforcement
- Security Professionals
- Risk Management Professionals
- Safety Management Professionals
- Building Planners/Architects

Participants will learn about:

- Parking lot safety standards
- Vegetation - landscape design
- Barriers Real vs Symbolic
- Lighting best practices and standards
- CCTV system design and best practices
- Designs for walkable neighborhoods
- The science of “natural surveillance”
- Traffic safety & CPTED
- The best practices in conducting site surveys.

In addition to learning the key principles of CPTED attendees will have the opportunity to apply CPTED practices during designated “field trips”.

Attendees should bring if possible:

- A cell phone
- A camera
- A laptop for class field trips and risk assessment practice.
