This is great training for all members of public safety, criminal justice and most government agencies. Personnel including trainers, FTO's, PTO's, CTO's, supervisors and managers are encouraged to attend.

Course Information

This course is not your ordinary leadership course - It is designed to turbo charge your skills and get you on track with leading followers, leading teams and leading organizations. You as a trainer, supervisor or manager will learn how to systematically improve your own leadership abilities and develop those around you. Specific topics of study will include:

- *Recognizing and developing your own style.
- *Directing, Coaching, Supporting & Delegating Leadership.
- *The importance of three skills Diagnosis, Competence & Commitment.
- *Developing the Enthusiastic Beginner, the Disillusioned Learner, the Cautious Performer & the Self-Reliant Achiever.
- *Exploring the Bases of Power *In-Groups & Out Groups

Instructor

Bob Medkeff spent over 30 years in law enforcement with 28 years of his service at Los Angeles Police Department. He has worked the streets of the Wilshire, Central and Southeast LA divisions, and served in Patrol, Vice, Crisis Intervention, Training, Communications & Intelligence. He also worked as a supervisor with the CRASH/Gang Unit. Mr. Medkeff has held numerous instructor & consultant positions with many organizations including UCLA, California POST, IACP, Claremont Colleges and Los Angeles City College.
