This program is the most modern and advanced in the world. This program is designed to prepare new students advanced operators to implement CERT Tactics for their Correctional Emergency Response Teams. This program will cover the full range of instruction including lecture, demonstration, physical technique training, and simulation training, and testing procedures. The emphasis of this program is to get your team up to speed to train correctional personnel in special team response to both large and small disturbance emergencies.

**Topics that will be covered are:**

- Use-of-force and Legal Issues
- Less Lethal Weapons development, selection, and tactics
- Team development, personnel selection, and equipment selection
- Defensive Tactics, Shank Defense, and Team Tactics
- Restraints Chair and Restraints Board Applications
- Cell Extractions and Entry Tactics with and without shields
- Large area, small area, and multiple inmate disturbances tactics
- Stabilization/handcuffing and the use of special restraints
- Report Writing and Incident documentation procedures
- Use of Gas Masks and Protective Equipment
- Formations and Team movement
- Riot Control Tactics and Crowd Management

**Equipment Required:**

Bring your department's specialized emergency response equipment. Also bring your DT gear.
