2016 WACME Annual Spring Training Conference

The Association

Washington State Association of Coroners and Medical Examiners is a professional organization created to support death investigation agencies by:

- Facilitating the prompt exchange of information pertaining to the laws, duties methods and official practices of members.
- Providing continuing education in all matters relating to medicolegal death investigation and the safety and welfare of the public.
- Promoting communication and cooperation with law enforcement, the medical community and other agencies and individuals involved in death investigations.
- Serving the public by respectfully caring for the deceased, providing compassionate support for the living and safeguarding of property.

This is an excellent opportunity to interface directly with the Coroner's and Medical Examiner. This prospectus will highlight what you need to know to be part of the Washington Association of Coroners and Medical Examiners Annual Training Conference, May 15-18 2016 in Walla Walla Washington.

We are excited to extend this training opportunity/conference to all Law Enforcement, to promote autonomy in our professions. We hope that you will find this opportunity for higher education as crucial as we do.

This year's training Conference is being held in Walla Walla, scheduled May 15th-18th. We will be experiencing "hands on" training as we visit and participate in an Anthropological dig this year. Please note that you many need scrubs or appropriate/comfortable attire that you can get dirty in for the dig days (should include long pants and closed toed shoes).

Training addendum to come.
