Crime prevention professionals acknowledge that the science of CPTED has never been more relevant or important. Recognizing this the Washington state Crime Prevention association has partnered with the Richland Police Department and developed a 2 Day Advanced CPTED certification class for law enforcement, private security, safety and risk management professionals.

Advanced CPTED is a course designed to give the student a hands on approach to be able to read, review and organize their findings in a systematic plan to improve the quality of life for our citizens.

Students will be able to :

1. Understand basic and advanced CPTED concepts and how to apply them.
2. Complete a CPTED Review and table top
3. Demonstrate the CPTED concepts in the planning process at the earliest possible stages.
4. Understand your role in the planning (Site Plan) process.

Attendees should bring if possible:

- A cell phone
- A camera
- A laptop for class field trips and risk assessment practice.
