## Designated Marksman

---

**DATE/TIME:** Oct. 6<sup>th</sup>, 2016 0800-1700

**LOCATION:** Spokane Police Academy & Range  
2302 Waterworks  
Spokane, WA 99206

**COST:** \$45 (Payment due at time of registration)

**DESCRIPTION:**

The Designated Marksman (DM) course fills the gap between the police patrol rifle and the precision marksman (sniper). This course is designed for the police officer, deputy, or state trooper who works suburban and rural areas; who may have a long wait time for SWAT; and who may have to make a precise shot at distance.

The class emphasizes the use of a low (1 to 5) powered scope, mounted on an AR platform or on a suitable bolt-action rifle. This is not close-quarter battle; it reflects the actual use most officers make of the carbine. Position shooting is practiced and ranges run from ten to one hundred yards.

**REQUIREMENTS:** a suitable AR-type or bolt-action rifle; a quality optic with magnification in the 1.5X, 2.5X, 2-6X, 1.5-5X, etc. range; 300 rounds of duty ammo; knee and elbow pads (recommended); duty handgun with 100 rounds; normal range equipment. Questions, contact Deputy Brian Moen at: [BMoen@SpokaneSheriff.org](mailto:BMoen@SpokaneSheriff.org)
