

SPOKANE COUNTY SHERIFF'S OFFICE
TRAINING ANNOUNCEMENT

Advanced Network Analysis & Targeting

DATE/TIME: December 27th – 29th, 2016, 0800-1700
LOCATION: SCSO Training Center
6011 N. Chase Rd.
Newman Lake, WA 99015
COST: Free tuition

DESCRIPTION:

This course is intended to cover key aspects of intelligence integration for operational support to law enforcement agencies involved in counternarcotic efforts. This course focuses on the fundamentals of intelligence, the intelligence cycle, human intelligence, and intelligence analysis. This course will also provide students with the fundamentals of analysis pertinent to investigations, field intelligence operations, and threat analysis. In addition, the course will examine source development, interviewing for intelligence, and an introduction to deceptive behavior. Upon course completion, students will be able to recognize and collect pertinent information and apply analytical skill sets to operational processes. These skills will aid law enforcement in providing effective actionable intelligence to strategic and operational initiatives. Course taught by WESTERN REGIONAL COUNTERDRUG TRAINING CENTER.
