

# THE UNDERGROUND WORLD OF ILLICIT PHARMACEUTICALS

## TRAINING CLASS - 10/6/16 SEATTLE, WASHINGTON

This training event is open to active law enforcement, Federal Agents, CBP Personnel, and Prosecutors only and is free of charge. Space is very limited for this event.

Please join Homeland Security Investigations, Merck & Co., Inc Pharmaceuticals and Investigative Consultants to learn about the true and ever growing problem of the illicit pharmaceutical trade!

This training class will teach the attendees about the true dangers of the illicit pharmaceutical trade and give you an in depth view of the counterfeit issues the pharmaceutical industry is currently dealing with.

Industry experts from Merck & Co. will be on hand to share their knowledge and expertise of the illicit trade and discuss the issues that are being seen in the United States and globally.

### The following topics will be covered during this training:

- The true dangers of illicit pharmaceuticals
- How the legitimate supply chain operates
- How to identify illicit Merck & Co. pharmaceuticals
- Tips & lessons from successful pharmaceutical investigations
- Tips & lessons from successful pharmaceutical prosecutions
- The ties to gangs and organized crime groups

This event is free of charge to Law Enforcement personnel & Prosecutors

IC will also be presenting at the training event and will showcase some recent enforcement efforts that led to the recovery of thousands of illicit pharmaceuticals.

The attendees will learn how legitimate pharmaceuticals are suppose to be manufactured and distributed and what the true importance is in protecting the legitimate supply chain.

The dangers to patient safety will be discussed, along with how this underground activity clearly endangers the well being of everyone in our communities.

We hope you will join us for this training class. Space is extremely limited for this event, so please register as soon as possible.

Thank you very much. HSI, Merck & Co. and The IC Team look forward to seeing you!
