About the Training
During this training, you will learn about the additional trauma victims experience when child pornography is involved. Explore investigative strategies that address the relationship between child sexual abuse and child pornography to supplement an investigation and corroborate victim statements. Gather the right tools and resources to investigate sexual abuse cases and produce the most comprehensive case outcomes.

Instruction is provided by:

- **Pauline Renick**, Detective, Bellingham Police Department, Bellingham, WA; Task Force Officer, Department of Homeland Security

- **David Frattare**, Director of State Investigations / ICAC Commander, Cuyahoga County Prosecutors Office, Ohio Internet Crimes Against Children Task Force

What’s In It For You?
Upon completion of this training, you will be able to:

- Understand current child pornography trends
- Apply research discussing the relationship between contact offenses and child pornography
- Consider current legal issues relating to child pornography and child sexual abuse cases
- Leverage interview and interrogation techniques that maximize evidence discovery in sexual abuse cases
- Understand ICAC task force’s role in investigating child pornography
- Consider opportunities to enhance investigations through multi-disciplinary investigative strategies

Is this training for you?
The following would benefit from this training:

- Law Enforcement
- Prosecutors
- Social Workers
- Tribes/Tribal Partners
- Victim Service Providers
