INTRODUCTION TO

# Law Enforcement Intelligence

**EVER WONDER... What Is L.E. Intelligence? Do I Have Access To L.E. Intelligence? How Do You Develop Intelligence? What Intelligence Can I Get? Where Do I Fit In? How Will This Make Me A Better Cop?**

**THESE QUESTIONS AND MANY MORE ARE ANSWERED IN THIS 1 ½ DAY CLASS.**

The mystique of law enforcement intelligence is revealed...Learn how to recognize and resolve complex police problems more efficiently and effectively by utilizing proven techniques and strategies for:

**Problem Solving      Targeting Criminal Conspiracies      Covert Collection Operations**

**Recognizing Characteristics      Developing & Managing Sources of Information**

**Data Organization      Information Mining      Resources of Knowledge**

**Data Analysis      Developing Ventures in Support of Criminal Investigations**

Whether you attend out of mere curiosity or for “resume building,” this class is guaranteed to enhance your perspective and performance when dealing with complex police issues. Tens of thousands of cops will attest that these methods will work in large, small and rural communities alike.

**WHO – WHAT – WHERE – WHEN – HOW & WHY  
Better Strategies Produce Better Outcomes!**

“Introduction to Law Enforcement Intelligence” will benefit everyone, from patrol officer to seasoned intelligence practitioners. It offers a blend of “old school” tips, techniques and methodology combined with the most advanced, up-to-date tools and resources currently available to the police industry. The data repositories and collection techniques revealed in this class will “amaze” even the most savvy investigators. Uniform officers can immediately put aspects of the course to work as effectively as detectives, drug investigators, gang officers, criminal intelligence collectors and crime analysts.

**In essence, this class strives to teach attendees how to “work smarter, not harder!”**

**WHEN: May 17 & 18, 2011      8am – 5pm**
