

SPOKANE AREA 2011

BAC REFRESHER, BASIC OPERATOR TRAINING & SFST REFRESHER

Listed below are the scheduled dates for the BAC Refresher Courses, BAC Basic Course, and SFST Refresher Courses to be held in the Spokane. BAC Refreshers begin at 0900 hours. SFST Refreshers begin at 1300. There will be a very short lunch opportunity between these two classes. The BAC Basic Course begins at 0800 both days. This is a 16 hour class.

Students must register for all courses. Students registering for SFST Refresher must have passed a SFST Basic Course. Please check with your agency, but in general, if an officer has attended ARIDE in 2010 or 2011, they do not need to attend the SFST Refresher course. When registering, please make it clear whether or not you will be staying for the afternoon SFST Refresher. Officers may also choose to attend only the SFST Refresher if they very recently attended a BAC Refresher Course.
