SWAT TEAM LEADER DEVELOPMENT
COURSE OVERVIEW AND INSTRUCTIONAL GOALS

COURSE LENGTH: 40 Hours 5 Days

COURSE OVERVIEW

This course is designed for law enforcement personnel who are responsible for deploying in the capacity as a SWAT Team Leader or as a supervisor who is responsible for the training and deployment of tactical teams. The focus of this training will be on pre-incident training, planning, organizing, and the tactical decision-making process used in the resolution of high-risk operations. Also included in the curriculum is an overview of SWAT training topics including selection and testing, training issues and liability, national SWAT standards and critical incident reviews. Practical applications will consist of scouting and planning warrants, small team planning, tactics used in the resolution of critical incidents, and the review of tactical incidents and videos. Attendees will participate in-group discussions, write operations orders, and develop training plans, plus critique and evaluate tactics and decisions based on a principle based SWAT decision-making process.
