Excited Delirium - A System Response - (Course #11-9)

**Training
Opportunity**

**For Law Enforcement, Fire Service, Community
Mental Health, and Emergency Medical
Service Officials**

This 2 day course is presented as a community response to Excited Delirium. This course is designed for command staff, chief officers, risk managers, and policy makers responsible for evaluating liabilities of the agency and the actions of its personnel. Learn how all first responders can work together to manage a potential In-Custody Death (ICD) event due to Excited Delirium.

Primary Instructor:
Eric Johnson

Course Dates:

**August 22, 2011 / 0800-1700
August 23, 2011 / 0800-1700**

Location:

**Issaquah Police Department
130 E. Sunset Highway
Issaquah, WA 98027**

*Providing Excellence
in Training and
Education*

**Course Cost: \$240. Course Length: 2 days
Class size is 15-40 students, must register/cancel by August 8, 2011**

Course Goals:

- Develop an understanding of Excited Delirium;
- Understand the liabilities and risk factors associated with Excited Delirium;
- Learn a community wide approach to an international problem;
- Develop best practices to intervene and reduce the likelihood of an ICD;
- Learn how medical responders can help manage a potential ICD.
