

# Active Shooter Response Instructor

The intent of this course is to provide instructors with the knowledge and tools to provide Active Shooter Response training for their departments. After this course instructors will be able to teach Patrol Officers, SWAT members, and School Resource Officers the tools necessary to respond to Active Shooters or Terrorist Threats in public settings. Instructors will be able to provide their students with the skills necessary to decisively end these violent encounters and minimize the loss of innocent human life.

We will discuss the job of the first responding Officer, the how and when of perimeters, and the mission of follow-on officers. The majority of the class will stress the first Officer and Follow-on Officer Teams moving safely, assertively, and decisively to engage and neutralize the active threat. A total of eight hours will be dedicated to Simunitions scenarios and the running of scenarios.

**Topics Covered:**

- Single and team tactics for Active Shooters
- Deliberate and dynamic techniques for dealing with the variety of floor plan situations encountered in schools
- How to deal with doorways, hallways, stairwells, large open

areas, entering through the breach point

- Equipment selection to counter and neutralize the Active Shooter/Terrorist threat

**Equipment Required:**

- Duty gear
- Flashlight with extra batteries and bulb
- Clothing and gloves for Simunitions
- Gas mask, hard armor and helmet (if issued)
- Simunitions gun (if issued)
- Knee pads
- Inert (dummy) handgun
- Notebook and pen
- Optional: ballistic shield and helmet
