TRAINING ANNOUNCEMENT

Ground Defense

Phoenix RBT Solutions

DATE/TIME: July 5th – 8th, 2011 0800-1700

LOCATION: SCSO Training Center
10319 E. Appleway
Spokane Valley, WA 99206

COST: \$425

DESCRIPTION:

This course will provide the Law Enforcement Officer/Agent with the skills necessary to defend being taken to the ground and the ability to handle encounters that do go to the ground. This course was designed for the realities of LEO street encounters, not sport grappling. The application and philosophy for a ground defense program must be police and /or corrections related. Phoenix's instructors have experience as police officers and correctional officers and can apply that experience and knowledge to every course. We understand what is real and what is mat room folly.

This is an in-depth course covering topics to include but limited to strikes and blocks, standing grappling, takedowns, interception concepts, preventions from high/middle/low tackles, escapes, guard and mount positions, interactive drills and practical exercises. When available and facilities allow we will include the use of Non-Lethal Training Ammunitions (NLTA) and drills related to Use of Force transitions and ground defense. Also include in this portion of the course will be the "how to" in utilizing the NLTA and skill building exercises to improve your training.

One of our sayings; "In the ring there are no gun belts and in the street there are no referees"

ABOUT PHOENIX RBT SOLUTIONS: (Reality-Based Training)

Phoenix is a unique company, offering reality-based training solutions for law enforcement, military and private sector security at the local through international level. Phoenix specializes in instruction, program development, consulting, products, training facility design and construction.

Phoenix's training staff can develop and implement a reality based training solution to satisfy any operational need. Phoenix instructional staff has scores of combined years of reality-based operational and training experience. Phoenix's professionals are all active and former law enforcement or military personnel who have specialized in reality-based training and its components.

Phoenix is unique because its core foundation for training is reality-based static, dynamic and interactive training philosophies. Phoenix does not rely on the traditional "technique" teaching approach. Our personnel focus on the "conceptual" method, which recognizes that successful training incorporates a variety of methods. Whether the training is basic or specialized, Phoenix is capable of meeting your needs.

Phoenix is fully capable of providing optimal levels of training for military, federal, state, local and private sector security personnel. Phoenix's trainers are recognized throughout the training community for their superior training experience and performance. Phoenix has sought to assemble the best team of trainers in the training industry, and believes that it has achieved its goal. Phoenix's staff is fully committed to your training needs and looks forward to assisting you.
