REMINGTON: R15 CARBINE

BUSHMASTER: AR15, M4, CARBON 15

DPMS: AR15, AP4 (M4) CARBINES

Remington

THIS IS THE ONLY ARMORERS COURSE THAT OFFERS THREE (3) FACTORY CERTIFICATIONS. This very intensive course is geared for students who wish to learn more about AR-15's/M4's and become a Certified Bushmaster, DPMS and Remington R15 Armorer. Students completing the course receive a certificate of completion and three years certification as a Bushmaster, DPMS and Remington R15 Armorer. This in-depth two-day course is conducted by Bushmaster, DPMS & Remington R15 Certified Armorer Instructors who are especially taught to teach the knowledge and skills necessary to maintain, diagnose, and repair the Bushmaster, Remington and DPMS AR15 & M4 type carbines and rifles.

2011 HIGH CALIBER TRAINING

ARMORERS TOOL KITS

High Caliber Training strongly suggests that you purchase the highest quality tools for your armorer course and your future duties as a Bushmaster, DPMS and Remington R15 Armorer. Cutting corners with cheap tools will only lead to frustrations, broken parts and firearms that might not function properly.

It is imperative that you possess the tools outlined below in the BASIC REQUIRED TOOLS section. If you plan on working on the AR15/M4 platform on a regular basis we suggest that you purchase the tools listed in the intermediate & advanced sections. These tools are available from Brownells directly. You can reach them by going to www.Brownells.com or calling 1-800-741-0015.

HIGH CALIBER TRAINING DOES NOT SELL THESE TOOLS DIRECTLY, SO PLEASE CONTACT BROWNELLS.

The prices below are subject to change at any time by Brownells.
