Perform other duties as assigned.

The duties and responsibilities in this posting are representative categories to be used in deciding whether to apply for the position. These general categories do not necessarily constitute an exhaustive list of duties of the position.

Requirements

BASIC QUALIFICATIONS:

- High School diploma or GED.
- Must have satisfactorily completed basic police training at a recognized state certified academy.
- Eighteen months of successful experience as a full time peace officer with a city, county, state federal or railroad law enforcement agency is preferred.
- Must meet peace officer commissioning standards in state in which this job is posted and be commissioned as such and maintain a valid State Peace Office License in that state.
- Must meet BNSF Resource Protection Solutions Team standards as a Special Agent.
- Must have a valid driver's license.
- Must be willing and able to travel as required.
- Must be able and willing to use the company's computer system for creating reports and databases.
- Must be physically and psychologically fit, able to successfully pass any required company evaluations and pass an extensive background investigation.
- Must successfully complete any required company training for this position.
- Must have broad knowledge of railroad industry and operations; particularly as it relates to handling emergency situations such as derailments, load securement, and like events.
- Must have a broad knowledge of criminal law and procedures.

- Must be able to successfully lead people, often in a stressful critical-event environment.
- Must be able to meet any government or Company training and retention standards.

Transportation Worker Identification Credential (TWIC): Federal authority requires BNSF employees, whose work requires unescorted access to secure areas of port facilities, to obtain a TWIC. A TWIC is a condition of employment for such positions and requires candidates to those positions to submit to a TSA security assessment (to include, but not limited to, providing: biographic information; identity documents; fingerprints; digital photograph). More information is available at www.tsa.gov/twic.

BNSF maintains a drug-free workplace and performs pre-employment substance abuse testing.

All positions require pre-employment background verification; this includes but is not limited to medical history, criminal history, social security id, and work employment history including military service.
