

SEEKING:

LATERAL DISPATCHER

EMERGENCY TELECOMMUNICATOR (911 DISPATCHER) - LATERAL

Skagit County (WA)

Open Continuously

This is the journey-level position and performs the full range of radio and telephone dispatch duties with a high degree of independence. Incumbents receive requests for assistance; evaluate criticality and type of response needed to assist with the reported situation; monitor the situation for changes and safety of personnel for the duration of the response.

QUALIFICATIONS

Two years of recent (within last five years) experience as a telecommunicator/dispatcher in a high-volume police, fire or emergency medical dispatch facility with enhanced 911 and computer-aided dispatch.
