RE: LMS Data Cut Off for Assigning the 2017-2018 CIT Online Refresher to Graduating Recruits and Cadets.

The following BLEA and WSP graduating classes will not be assigned the 2017-2018 CIT Refresher in the WSCJTC Acadis Portal.

- BLEA Class (0100-27) Class 772 – Graduation 12/14/2018
- BLEA Class (0100-28) Class 773 – Graduation 11/30/2018
- WSP Class (0010-1) Class 110 – Graduation 12/19/2018

The WSCJTC recognizes that they will have less than 30 days to meet the requirement and in not assigning it to them, we will be making exception from RCW 43.101.47 from ONLY the compliance period that ends December 31, 2018

These graduating, certified peace officers are included with all certified peace officers, certified tribal police officers and reserve peace officers in Washington State in the January 1, 2019 assignment and required to meet the RCW 43.101.427 for all future compliance periods.

No other exemptions for these graduated certified peace officers is promised, guaranteed or implied.
