# Public Works Board

**Recommended for 2016 Construction Loan Funding:**

## Clark Regional Wastewater District

### North Junction Sewer Collection System

**County:** Clark  
**Legislative District:** 18th  
**PWB Loan Request:** \$3,500,000  
**Other Funds:** \$110,000  
**Total Project Cost:** \$3,610,000

**Serves:**

- **Schools:** 1 (5,000 Eventual Students)
- **Businesses:** 8
- **Community Facilities:** 2

*The North Junction Sewer Collection System project is a catalyst for the development of educational and health services at the Ridgefield/Interstate 5 junction and for job creation throughout the thousand plus acres of employment zoned lands which will be served by this project. This project is designed to connect with the Discovery Corridor Wastewater Transmission System (DCWTS) at the Pioneer Canyon Pump Station. This project provides access to adequate low-cost, reliable regional treatment capacity for the north junction area.*

Previously Funded PWF Projects	Amount	Year	PWF Program	Status
Glenwood Pump Station and Main Sewer Line	\$2,185,960	1995	Construction	Complete
Hockinson Pump Station & Pressure Main	\$502,670	1996	Construction	Complete
