

Washington State

Public Works Board

Recommended for 2016 Construction Loan Funding:

King County

North Beach CSO

County: King

Legislative District: 36th

PWB Loan Request: \$7,000,000

Other Funds: \$7,905,928

Total Project Cost: \$14,905,928

Serves:

- **Schools:** 3 (314 Students)
- **Businesses:** 14

King County is proposing to construct a storage tank located in the Triton Drive NW and NW Blue Ridge Drive public right-of-way to control combined sewer overflows. Existing facilities are inadequately sized to convey peak combined sewage flows from the North Beach Basin to the West Point treatment plant.
