

VICINITY SKETCH

Show the following:

- ____ Nearest intersection
- ____ Adjacent addresses
- ____ Land marks (if any)
- ____ Road names

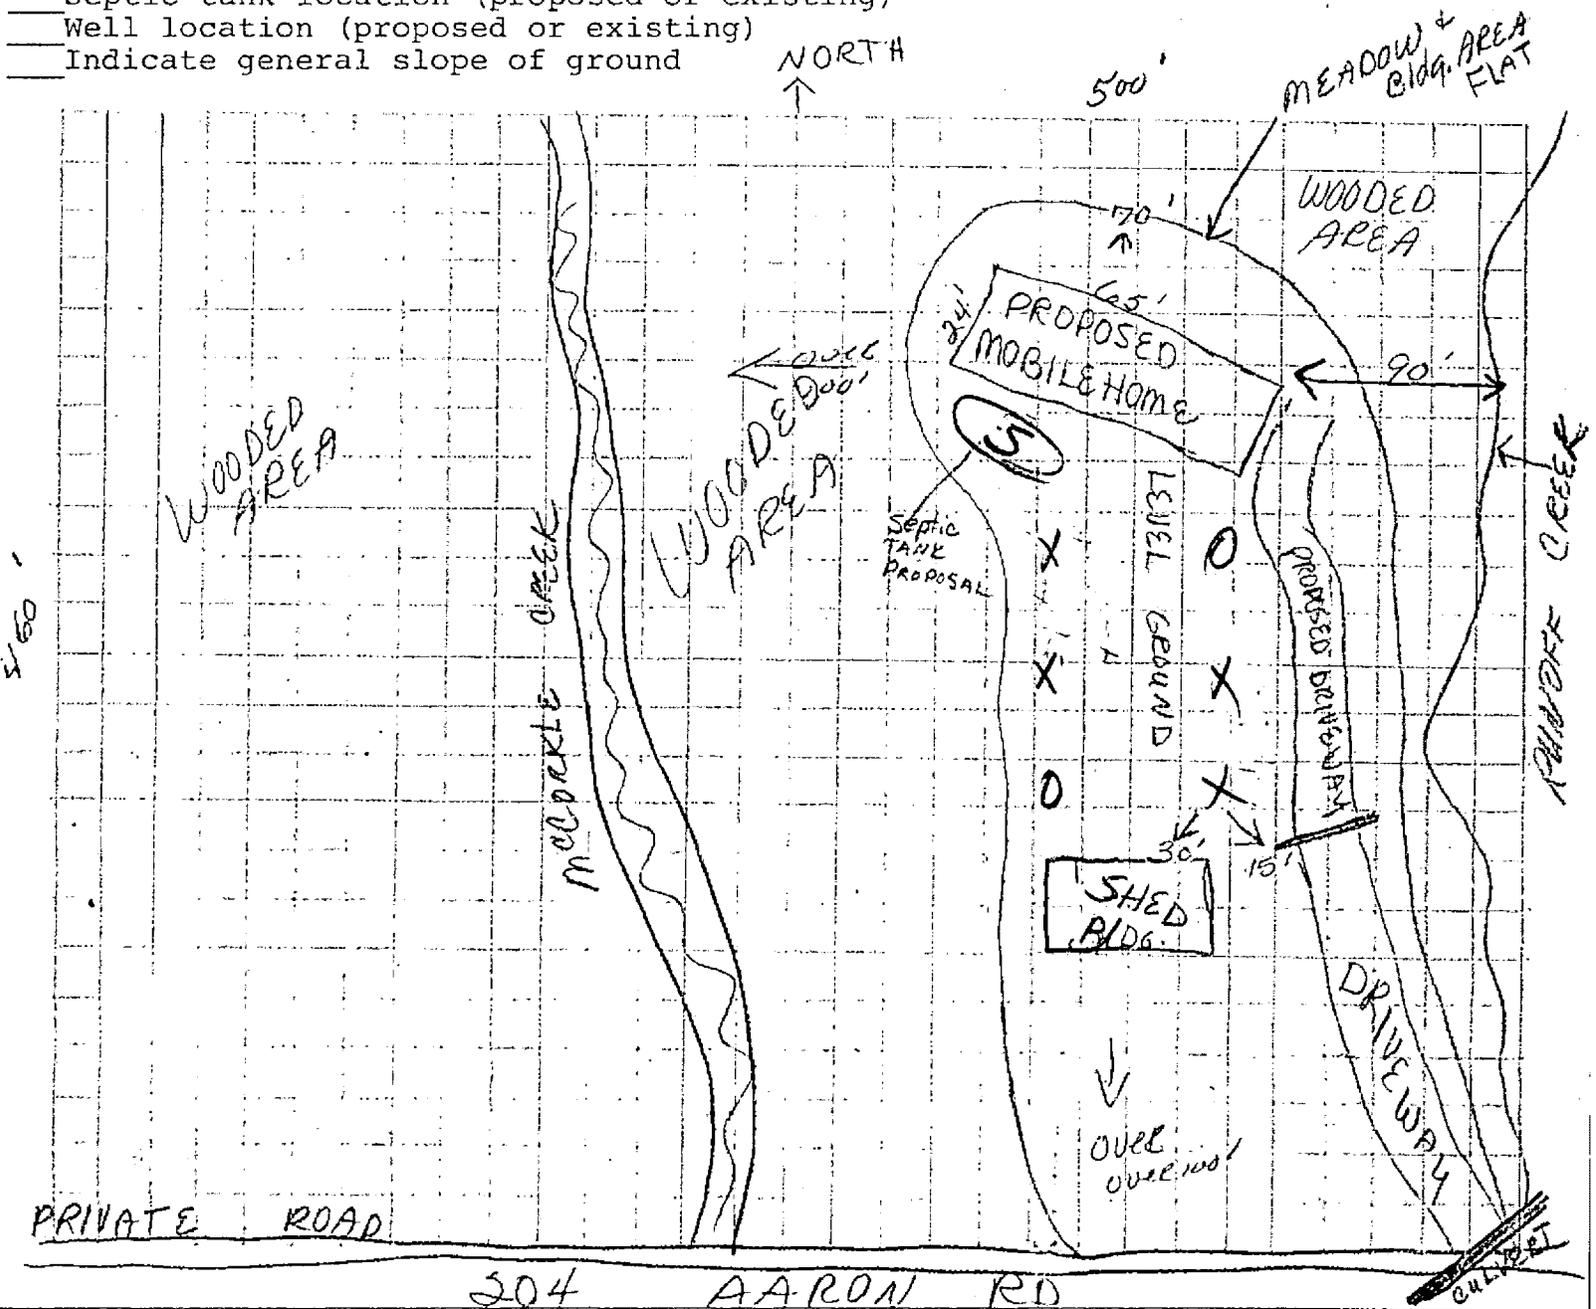

- ____ Show all distances (approx)
- ____ Waterways or lakes within 200'
- ____ North arrow

PLOT PLAN

Show the following:

- ____ Lot dimensions
- ____ Location and names of adjacent roadways or right of ways
- ____ Distances between buildings (if under 20' be exact)
- ____ Distances to property lines from all buildings (if under 20' be exact)
- ____ Indicate size and use of each building
- ____ Perc holes, indicate 3' holes with "X" and 4' holes with "O"
- ____ Septic tank location (proposed or existing)
- ____ Well location (proposed or existing)
- ____ Indicate general slope of ground

The above information is true and correct to the best of my knowledge.
