

**Washington State Immunization Information System Update:**

On May 17, 2013, the Washington State Immunization Information System will be upgraded to a new version. Providers will see one change in the Vaccine Ordering and Management module.

On the Create Order Screen, the **Save** button in the top section of the order has been removed. Changes to contact name, shipping days and times, and shipping instructions will now be save when the **Save Order** or **Submit Order** buttons at the bottom of the screen are used.
