The Most Recent Change Since the Last Bulletin is:
In Island County, west Whidbey Island is closed to butter and varnish clams only.

In Island County, Saratoga Passage and Possession Sound, including Utsalady Bay, Penn Cove and Holmes Harbor are closed to butter and varnish clams only.

In Jefferson County, Port Townsend, Oak Bay and Tala Shore south to the Hood Canal Bridge are open to all species of shellfish.

In Jefferson County, eastern Marrowstone Island and Kilisut Harbor, including Mystery Bay and Fort Flagler State Park, are closed to butter and varnish clams only.

In Jefferson County, North Beach east to Point Hudson is closed to butter and varnish clams only.

In Kitsap County, Foulweather Bluff south to the Hood Canal Bridge, including Port Gamble Bay, is open to all species of shellfish.

In Snohomish County, Possession Sound south to the King county line is closed to butter and varnish clams only.

The following beaches are CLOSED to the recreational harvest of the species listed. All species means clams (including geoduck), oysters, mussels and other invertebrates such as the moon snail. All areas are closed for the sport harvest of scallops. The following closures do not apply to shrimp. Crabmeat is not known to contain the PSP toxin, but the guts can contain unsafe levels. To be safe, clean crab thoroughly and discard the guts (butter).
