 Hotline 1-800-562-5632

The Most Recent Change Since the Last Bulletin is:

In Jefferson County, Port Ludlow including Mats Mats Bay is closed to all species of shellfish.

The following beaches are CLOSED to the recreational harvest of the species listed. All species means clams (including geoduck), oysters, mussels and other invertebrates such as the moon snail. All areas are closed for the sport harvest of scallops. The following closures do not apply to shrimp. Crabmeat is not known to contain the PSP toxin, but the guts can contain unsafe levels. To be safe, clean crab thoroughly and discard the guts (butter).
