Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The proposed rules increase fees, make general housekeeping edits, and complete language clean-up for the health care professions listed on the attachment. The Legislature approved the proposed fee increases as part of the budget (2ESHB1087, Chapter 50, 2011 Laws 1st Special Session PV). The proposed rules raise fees to a level necessary to administer each profession.

Reasons supporting proposal:

RCW 43.70.250 requires that each health care profession is self-supporting and directs the department to collect fees to pay the costs to regulate the profession. The costs to regulate and administer health care professions are about \$37 million each year. Changes in administrative and regulatory activities based upon credentialing, legislation, and disciplinary actions make it necessary for the department to increase fees. These fees are critical to maintain and improve service for licensees and the public, meet the costs of conducting business, and promote patient safety.

Statutory authority for adoption:

RCW 43.70.250, RCW 43.70.110

Statute being implemented:

RCW 43.70.250, RCW 43.70.110
