(Note: This is NOT the effective date)

Purpose of the proposal and its anticipated effects, including any changes in existing rules:

Chapter 3, Laws of 2012 (ESSB 6239) was signed into law allowing same-sex couples to marry in Washington. The same-sex marriage law has been referred to voters as Referendum 74. The Department of Health is proposing a rule change so revised marriage and divorce certificate forms can be ready for use if the referendum is approved and law goes into effect on December 6, 2012. If the referendum is not approved, this CR102 will be withdrawn and the rule changes will not be adopted. The department collects records of all marriages and divorces that occur in Washington and issues copies of certificates. Current marriage and divorce certificates use gender-specific terms. The proposed rule changes the terms to gender-neutral. The proposed rule also adds sex of the people marrying as an item collected on the marriage certificate.

Reasons supporting proposal:

If Referendum 74 is approved and the law goes into effect, same-sex couples who marry may expect their marriage and divorce certificates to use gender-neutral language. The public may also have an interest in knowing how many same-sex marriages occur.

Statutory authority for adoption:

RCW 43.70.150 - Registration of vital statistics.

Statute being implemented:

RCW 70.58.055 - Certificate generally.
