AND RECEIVED BY (Date) 05/24/2010

Purpose of the proposal and its anticipated effects, including any changes in existing rules:
This rule should be repealed because it is obsolete and conflicts with the more recent standard in WAC 246-830-475, which was effective June 7, 2009. The changes are intended to provide clear continuing education requirements for massage practitioners and consolidate all continuing education requirements into one rule section.

Reasons supporting proposal:
RCW 34.05.353(2)(c) authorizes an expedited repeal of this rule because the rule is no longer necessary because of changed circumstances (i.e. a newer standard has been adopted to replace this rule).

Statutory authority for adoption: RCW 18.108.025
