

Core Waiver

Overview

The Core Waiver is one of the Developmental Disabilities Administration's five federal Home and Community Based Services waivers. It offers residential habilitation services to 5,624 individuals who are at immediate risk of losing their community residential setting. Individuals must have an identified health and welfare need for residential services that cannot be met by the Basic Plus waiver.

Services Include:

- Assistive Technology
- Community Engagement
- Community Inclusion
- Community Transition
- Environmental Adaptations
- Extermination of Bed Bugs
- Individual/Group Supported Employment
- Individualized Technical Assistance
- Occupational, Speech and Physical Therapies (for adults, when not covered under state plan benefits)
- Positive Behavior Support and Consultation (Only available to clients 20 and younger who currently the service as of 10.1.2020)
- Residential Habilitation
- Respite
- Risk Assessment
- Skilled Nursing (over age 21)
- Specialized Equipment and Supplies
- Specialized Habilitation
- Stabilization Services
- Specialized Habilitation
- Stabilization Services
- Staff and Family Consultation
- Stabilization Services-Crisis Diversion Bed
- Staff and Family Consultation
- Transportation
- Wellness Education

Eligibility

DDA clients who:

- Meet Social Security Disability criteria.
- Meet Institutional Level of Care criteria.
- Meet the income and resource standards for Apple Health of Washington. (Client's income and resources, not family unit's income and resources)
- Are a U.S. citizen or federally qualified legal resident.
- Accept home and community-based services as an alternative to institutional services.

Waivers are limited to the average cost of an Intermediate Care Facility for Individuals with Intellectual Disabilities for any combination of services necessary to meet the assessed client need. We cannot deny services to people on the waiver due to lack of funding. Consequently, we carefully monitor waiver expenditures.
