RE: HAPPY HOME ADULT CARE License #117103

Dear Provider:

The Department completed a full inspection of your Adult Family Home on July 24, 2018 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:
Hang Lu, Licensor

Consultation:

WAC 388-76-10050 License Relinquishment.

(2) The home must relinquish its license if it has not provided care and services to residents for twenty-four months.

The Provider did not relinquish the adult family home (AFH) license after twenty four months of not providing care to any residents besides her own mother. When interviewed, the Provider did not realize her mother was not considered a resident. The Provider said she would admit a new resident soon.

WAC 388-76-10810 Fire extinguishers.

(2) The home must ensure the fire extinguishers are:
(b) Inspected and serviced annually;

During a tour of the home on 07/24/18 at 11:45 AM, it was noted the fire extinguisher was last inspected and serviced in 02/2017. During the inspection, the Provider had the fire extinguisher inspected and serviced.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.
