RE: THE WALKER HOUSE License #179102

Dear Provider:

The Department completed a full inspection of your Adult Family Home on July 11, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:
Rathana Duong, AFH Licenser

Consultation:

WAC 388-76-10198 Adult family home Personnel records. The adult family home must keep documents related to staff in a place readily accessible to authorized department staff. These documents must be available during the staff's employment, and for at least two years following employment. The documents must include but are not limited to:

(4) Criminal history disclosure and background check results as required.

Record review completed 07/10/19 showed Caregiver L was hired 05/18/18 and left the adult family home on 09/01/18. Included in Caregiver L's records were final fingerprint background checks completed 06/15/16 and 06/01/18. There was no documentation of an interim/Washington state name and date of birth background check on file for Caregiver L.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.
