IDR RESULTS

AFH License #217501

Dear Provider:

Thank you for participating in the Informal Dispute Resolution (IDR) process on January 16, 2020. This letter is a follow-up regarding the result of yesterday's IDR. During the IDR, the panel addressed citations identified in the SOD report dated October 16, 2019 and the associated *Amended* Imposition of Civil Fines letter date October 28, 2019. As discussed during the IDR, the panel considered the following information:

- Written materials presented by the adult family home;
- Oral statements and explanations offered by the adult family home;
- Records gathered by the Residential Care Services (RCS) regional staff; and
- Oral statements and explanations offered by RCS staff.

After careful review and consideration, the panel decided not to change the SOD report dated October 10, 2019 or any civil fines associated with that same SOD report.

Next Steps:

- If you have not done so already, you must begin the process of submitting attestation(s) for disputed deficiency or deficiencies immediately.
- Contact the local field manager if you need clarification related to the SOD report.
- Within five calendar days after you receive this letter, complete and return the "Plan/Attestation Statement" for all disputed deficiencies.
 - For each disputed deficiency, indicate the date you have or will have corrected each one.
 - Next to each disputed deficiency, sign and date certifying that you have or will correct each disputed deficiency.
 - Mail the "Plan/Attestation Statement" with original signatures to:

Sue Bergeron, Field Manager
Residential Care Services
Region 1, Unit B
316 W. Boone, Suite 170
