RE: KIMS ADULT FAMILY HOME License #551900

Dear Provider:

The Department completed a full inspection of your Adult Family Home on October 3, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:  
Ibe Hatch, Licensor

**Consultation:**

**WAC 388-76-10430 Medication system.**

(3) Records are kept which include a current list of prescribed and over-the-counter medications including name, dosage, frequency and the name and phone number of the practitioner as needed.

Record review for Residents #3 and #4 showed the adult home did not have a current physician list of medications. The provider obtained the lists during the inspection.

**WAC 388-76-10895 Emergency evacuation drills Frequency and participation.**

**The adult family home must ensure:**

(1) Emergency evacuation drills occur during random staffing shifts at least every two months; and

Review of adult home's fire drill logs showed all drills done between 10/01/18, and 08/03/19, were done between 10:45 AM and 11:30 AM. The provider stated she would vary the drill times.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.
