RE: MILLCREEK AFH IV License #717000

Dear Provider:

The Department completed a full inspection of your Adult Family Home on August 5, 2019 and found that your home does not meet the adult family home licensing requirements listed below.

The Department staff who did the inspection and provided consultation:
Hang Lu, Licensor

Consultation:

WAC 388-76-10161 Background checks Who is required to have.

(3) All household members over the age of eleven, volunteers, students, and noncaregiving staff who may have unsupervised access to residents must have a Washington state name and date of birth background check: They are not required to have a national fingerprint background check.

On 08/01/19, record review showed there was no Washington state name and date of birth background check (BGC) for one of two household members (HHM 1) who turned 11 years old in April 2019. On 08/02/19, a copy of the BGC (dated 08/01/19) for HHM 1 was received from the home.

You Must:

- Begin the process of correcting the deficiency or deficiencies immediately; and
- Complete correction as soon as possible.

You Are Not:

- Required to submit a plan-of-correction for the deficiency or deficiencies found.

The Department May:

- Inspect the home to determine if you have corrected all deficiencies.
