## Personal Care

"Personal care services" means both physical assistance and/or prompting and supervising the performance of direct personal care tasks as determined by the resident's needs, and does not include assistance with tasks performed by a licensed health professional. (WAC 388-76-10000)

### 1. EATING

If needed, the home may provide assistance with eating as follows:

**We provide assistance with whatever the resident's levels and needs are.**

**We accept residents that are independent through those who are totally dependent.**

**We will assist with cuing, prompting, monitoring, supervising and performing direct care tasks.**

**We accept those who are on modified diets, and we accept those on feeding tubes.**

**We are not able to assist with tasks that require licensed Health Care Professionals, but we can make arrangements to bring in professional help as needed.**

### 2. TOILETING

If needed, the home may provide assistance with toileting as follows:

**We provide assistance ranging from independent to total assistance. We document, monitor and assist our residents at whatever level of care that they need.**

### 3. WALKING

If needed, the home may provide assistance with walking as follows:

**We provide care by monitoring, cuing and assisting at whatever level the resident needs. We provide residents with a one person assist. We also use medical equipment as necessary to aide with their mobility. 1 on 1 assist with walkers, wheelchairs, etc.**

### 4. TRANSFERRING

If needed, the home may provide assistance with transferring as follows:

**We provide care ranging from independent to total dependent. We provide transfer assistance from cuing, monitoring, and 1 on 1 person assist. If needed, we use medical equipment as necessary for the resident and the caregiver's safety.**

**We have to look at the whole picture of all resident's involved, keeping their safety in mind. If the amount of assistance is too great, we may not be able meet all of the other existing residents needs. We look at this first before accepting a new resident.**

### 5. POSITIONING

If needed, the home may provide assistance with positioning as follows:

**We provide assistance with positioning ranging from cuing, monitoring, clear through 1 on 1 person assist.**

**We use medical equipment as necessary for both the resident's and the caregiver's safety.**

### 6. PERSONAL HYGIENE

If needed, the home may provide assistance with personal hygiene as follows:

**We provide assistance with personal hygiene ranging from monitoring and cuing thru total assistance. We strive to allow the resident as much independence as possible.**

### 7. DRESSING

If needed, the home may provide assistance with dressing as follows:

**We provide dressing assistance ranging from independent to total assistance.**

**We strive to allow our resident's as much independence as possible.**

8. BATHING

If needed, the home may provide assistance with bathing as follows:

**We provide assistance with bathing ranging from independent with some cuing thru total assistance.**

**We encourage dignity, self esteem, and well being. We allow our residents to perform as much as they are able to by themselves. If needed we arrange for extra help with an additional caregiver or aide. We are able to use medical equipment to aide in caring for your loved one.**

9. ADDITIONAL COMMENTS REGARDING PERSONAL CARE

**We have a roll in shower, special shower chair, mobile hair sink, etc. We have all private rooms, some with private bathrooms and some with shared bathrooms.**

**Medication Services**

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

**We provide a range of medication assistance from independent to completely dependent. We monitor and assist as necessary allowing the resident to have as much independence as possible, and still remain safe.**

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

**We maintain and abide by the WAC rules. We also work with our pharmacy to provide the medications and delivery as needed.**

**Skilled Nursing Services and Nurse Delegation**

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

**We have an RN Nurse Delegator who works with our homes. She will delegate caregiver's and resident's as needed. Our RN Delegator will answer questions, but does not treat our residents. Our RN contracts with the resident or POA for delegation with the resident needs (those areas permitted to be delegated in accordance with the WAC's).**

The home has the ability to provide the following skilled nursing services by delegation:

**We have the ability to be delegated for oral, topical, diabetic insulin care, optical eye drops, nebulizer treatments, feeding tubes, oxygen etc.**

ADDITIONAL COMMENTS REGARDING SKILLED NURSING SERVICE AND NURSING DELEGATION

**When resident's needs are out of our scope of care, we call the doctor and arrange for an "in home agency" to make visits as needed for as long as necessary.**

**Specialty Care Designations**

We have completed DSHS approved training for the following specialty care designations:

- Developmental disabilities
- Mental illness
- Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

**We have some training in Mental Health, however our passion is with elderly and dementia residents.**

**Staffing**

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager

who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

- The provider lives in the home.
- A resident manager lives in the home and is responsible for the care and services of each resident at all times.
- The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

- Registered nurse, days and times: **No regular hours. On call or as needed for Delegation purposes.**
- Licensed practical nurse, days and times: \_\_\_\_\_
- Certified nursing assistant or long term care workers, days and times: **24 hours a day..7 days a week. 1 caregiver on duty at all times. Occasionally there are 2 or more.**
- Awake staff at night
- Other: \_\_\_\_\_

ADDITIONAL COMMENTS REGARDING STAFFING

**We work with a 24hr Awake Staff. The typical shift is 8 hours long. 7am-3pm, 3pm-11pm, 11pm-7am.**

~~This way our residents have the care they need anytime day or night~~

**Cultural or Language Access**

The home must serve meals that accommodate cultural and ethnic backgrounds (388-76-10415) and provide informational materials in a language understood by residents and prospective residents (Chapter 388-76 various sections)

The home is particularly focused on residents with the following background and/or languages:

**Our elderly population generally speaks english. We do have caregivers who speak Spanish, Kenyan and the owner knows some sign language. Residents are encouraged to believe and worship as they are accustomed. We will assist them as needed.**

**We do not discriminate and we readily accept different cultures. We will accomodate their needs to best of our ability. We celebrate our unique differences and welcome each resident with open arms.**

ADDITIONAL COMMENTS REGARDING CULTURAL OR LANGUAGE ACCESS

**We gladly welcome recipes from all areas and customs. We will accomodate cultural needs, as we are able. We occasionally make special meals for requested holidays.**

**Medicaid**

The home must fully disclose the home's policy on accepting Medicaid payments. The policy must clearly state the circumstances under which the home provides care for Medicaid eligible residents and for residents who become eligible for Medicaid after admission. (WAC 388-76-10522)

- The home is a private pay facility and does not accept Medicaid payments.
- The home will accept Medicaid payments under the following conditions:  
**We are contracted with Medicaid, however, we require two years of private pay before a residents change to Medicaid.**

ADDITIONAL COMMENTS REGARDING MEDICAID

**When a resident changes from private pay to medicaid and is in a large room with private bath, the resident may possibly be asked to move to a smaller room**

**Activities**

The home must provide each resident with a list of activities customarily available in the home or arranged for by the home (WAC 388-76-10530).

The home provides the following:

**Activities of daily living, Bingo, games, hired music brought in each month and visiting performers. Library visits with residents being able to check out books. Blind Foundation activities and stories on CD, crafts, movie night, gardening activities, painting, etc.**

ADDITIONAL COMMENTS REGARDING ACTIVITIES

**We have an Activities Director who plans some of the above activities 1-2 times weekly.**
