This document was prepared by Residential Care Services for the Locator website.

WAC 388-76-10146 Qualifications Training and home care aide certification.

(2) The adult family home must ensure all adult family home caregivers, entity representatives, and resident managers hired on or after January 7, 2012, meet the long-term care worker training requirements of chapter 388-112A WAC, including but not limited to:

(d) Cardiopulmonary resuscitation and first aid; and

WAC 388-112A-0710 What is CPR/first-aid training? CPR/first-aid training is training that meets the guidelines established by the Occupational Safety and Health Administration (OSHA). Under OSHA guidelines, training must include hands on skills development through the use of mannequins or trainee partners.

This requirement was not met as evidenced by:

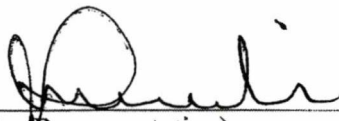

Based on interview and record review the adult family home failed to ensure the provider completed Occupational Safety and Health Administration (OSHA) approved cardiopulmonary (CPR)/first aid. This failure placed four of four current residents (Residents #1, #2, #3, and #4) at risk for unmet care needs in the event of an emergency.

Findings included...

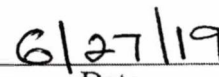

On 06/11/19, at approximately 2 p.m. according to Staff A, the provider worked with Staff A daily. Review of the provider's file included CPR/first-aid cards dated 09/02/19. The provider stated the classes were valid until 09/02/19, done online and said a consultant told her online was acceptable.

Attestation Statement

I hereby certify that I have reviewed this report and have taken or will take active measures to correct this deficiency. By taking this action, Ginger Creek Adult Family Home is or will be in compliance with this law and / or regulation on (Date) 6/27/19. In addition, I will implement a system to monitor and ensure continued compliance with this cited deficiency.
